Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Saturday 04 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Brightening up after a cloudy start on Sunday. Trending warmer.

This Evening and Tonight:
Remaining largely cloudy this evening, the cloud base gradually lowering, causing hill fog over the Derbyshire hills. Staying dry otherwise, with a few cloud breaks developing around dawn. On the mild side. Minimum temperature 12 deg C (54 deg F).

Sunday:
Starting largely cloudy but brightening up through the morning, with the best chance of any sunshine in the west and during the afternoon. Warm. Dry, largely clear in the evening. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Monday, cloudy start with some rain across the north, drier and brighter further south. Tuesday and Wednesday, generally dry, fine and sunny. Becoming very warm.
